6:30 pm — A Level Mathematics — Mr. Usman Tariq · Group M4 · Gulberg — 5 seats left — Try this class →

HOW IT WORKS

A clear plan from the first week

No guesswork for parents. You'll always know what your child is working on, and why.

1 Assessment
A 40-minute diagnostic in the first class shows us exactly which topics are solid and which need work.
Week 1 · free

2 Learning plan
You get a one-page plan: target grade, topic order, and how many sessions a week make sense.
Within 3 days

3 Classes
Small groups or one-to-one, with past-paper practice built into every session and homework marked in 48 hours.
2–3 per week

4 Progress reports
Every four weeks: a short written report, a mock score, and a 15-minute call with the teacher if you want one.
Every 4 weeks

OUR TEACHERS

People your child will look forward to seeing

Every teacher is subject-qualified, background-checked and observed in class each term.

Farhan Malik
Physics & Maths · A Level
MSc Physics, 11 years teaching. Former Cambridge examiner; known for making mechanics click.

Sadia Hameed
English Language & Literature
MA English, 9 years. Runs our essay clinic and the Year 11 comprehension bootcamp.

Omar Qadir
Coding · Python & Web
Software engineer for 7 years before teaching. Students ship a real project every term.

Léa Bernard
French & Spanish · DELF prep
Native French speaker, DELF-certified examiner. Conversation-first, grammar second.

RESULTS · MAYVUME 2025 SERIES

The numbers parents ask about

78% of A Level students got A*–B

1.6 grades average improvement from first mock to final

92% of families re-enrol for the next term

34 students passed at their first-choice university

"Hamza went from a D in his October mock to a B in May. The four-weekly reports meant we were never surprised, good or bad."
RA · Rabia A. · Parent · O Level Maths

"Mr. Omar treats us like junior developers. I built a timetable app for my school and now I'm doing freelance work in the holidays."
DS · Daniyal S. · Student, 16 · Python & Web

"We live in Islamabad, so online was the only option. The classes are just as structured as campus ones, and the camera is always on."
NK · Nida K. · Parent · A Level Chemistry, online

FEES

Monthly fees, all in

Prices are per subject, per month, and include materials, past papers and progress reports. Siblings get 10% off.

Level	Group class max 8 · 2×/week	Small group max 4 · 2×/week	One-to-one 2×/week
O Level / IGCSE	Rs 14,500	Rs 21,000	Rs 36,000
A Level (AS & A2)	Rs 17,500	Rs 25,000	Rs 42,000
Coding (ages 10–18)	Rs 12,000	Rs 18,500	Rs 30,000
Languages (all ages)	Rs 11,000	Rs 16,500	Rs 28,000

Online classes are Rs 1,500 less per month. Registration fee Rs 5,000, one time. No charge for the trial class.

FAQ

Questions parents usually ask

Can't see yours? Call the front desk on 042 3571 8800, Monday to Saturday, 11 am to 8 pm.

- What happens in the free trial class? +
- Can we switch between online and campus? +
- What if my child misses a class? +
- How are teachers chosen? +
- How do I pay, and can I cancel? +
