We booked two nights and stayed five. The sea view room is worth the extra; we ate breakfast on the balcony every day.
Hanna & Mats, Gothenburg · May 2026

★★★★★
Dinner at Olivar was the best meal of our trip. Ask for a table at the edge of the pergola.
Daniel O., Leeds · September 2026

★★★★★
Quiet, kind staff who remembered our names on day one. The walk down to the cove is steep but lovely.
Claire & Rémi, Lyon · June 2026

★★★★☆
Beautiful place. The road up is narrow, so take the transfer from the station if you're not a confident driver.
