Selected work

A selection of websites and product pages we have designed and built for restaurants, clinics, logistics, property, retail and software companies. Each project links to its live site.

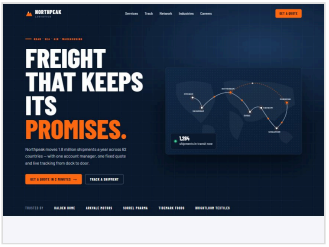

01 **Saffron & Salt** Website

Restaurant website with menus, opening hours and table bookings.

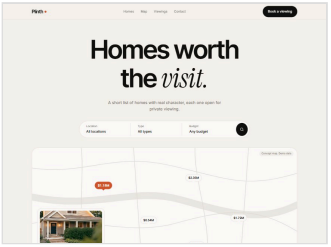

02 **Lumen Clinic** Website

Dental and skin clinic website with online appointment booking.

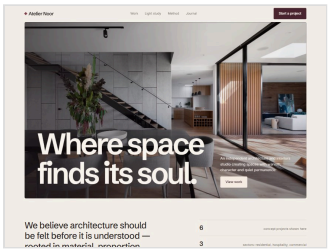

03 **Northpeak Logistics** Website

Corporate site for a freight company, with tracking and quotes.

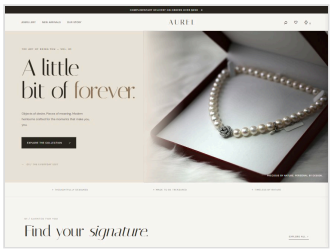

04 **Plinth** Website

Property website with map search and viewing requests.

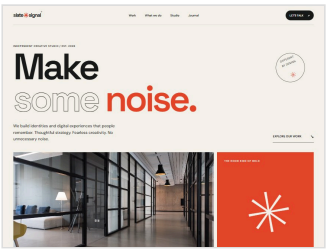

05 **Atelier Noor** Website

Portfolio site for an architecture and interiors studio.

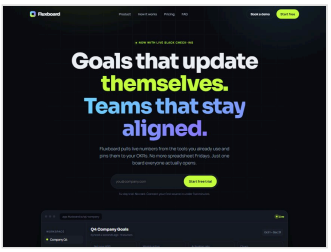

06 **AUREL** E-commerce

Online store for a fine jewellery brand.

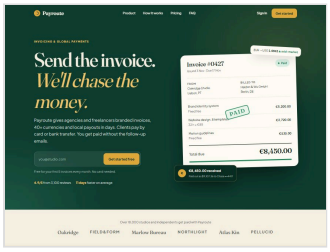

07 **Slate & Signal** Website

Website for an independent creative studio.

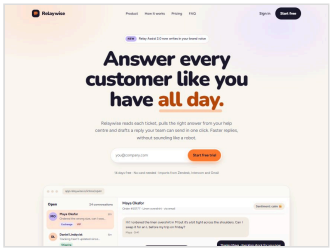

08 **Fluxboard** SaaS

Marketing site for a goals and team analytics tool.

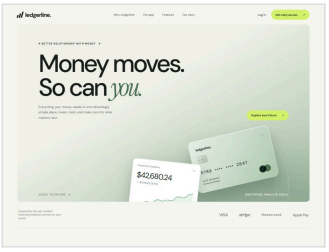

09 **Payroute** SaaS

Website for an invoicing and international payments app.

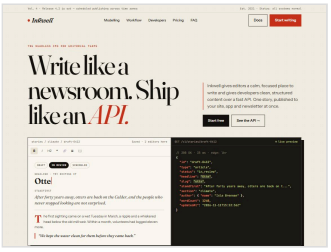

10 **Relaywise** SaaS

Landing page for an AI-assisted customer support inbox.

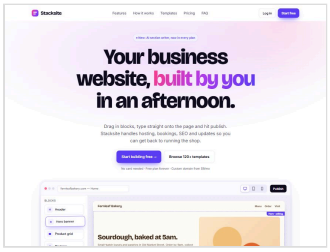

11 **Ledgerline** SaaS

Redesign concept for an everyday investing app.

12 **Inkwell** CMS

Launch site for a headless CMS built for newsrooms.

13 **Stacksite** CMS

Landing page for a small-business website builder.
