## Seeing a home takes three steps.

1. **Choose a home**
   Save the ones you like. Compare them side by side on the list or the map.
2. **Pick a time**
   Send a request. A Plinth guide confirms a slot, usually within two days.
3. **Walk through it**
   Tour with the listing agent and ask about build quality, light and the neighbourhood.

## Ask for a private viewing.
